3. A proxy does not need to be a member of the Company but must attend the Meeting to represent you. Details of how to appoint the Chairman of the Meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form. Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.
5. The notes to the proxy form explain how to direct your proxy to vote on each resolution or withhold your/their vote. Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

6. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
7. Members who have general queries about the Meeting should contact Derek Martin on telephone number 01483 685670. No other methods of communication will be accepted.

Explanatory Notes

In respect of **Resolution 1**, the Annual Report and Accounts 2009 were approved by the Board on 1st March 2010.

In respect of **Resolution 2**, summary biographical details are set out here.

Dr William Duncan Potter, PhD

Executive Chairman

Dr Potter became Chairman in June 2001. He is an adviser to the Nominations Committee and to the Remuneration Committee. He provides advice and expertise on product development matters bringing to bear his considerable experience. He has over 30 years of experience in research and development including bringing new products to market involving a wide range of medical devices. He has extensive knowledge of worldwide regulatory procedures, intellectual property issues and licensing. Dr. Potter previously worked at London International Group plc, including seven years as Group Scientific Affairs Director and at Smith & Nephew plc.

In respect of **Resolution 3**, BDO LLP has been the Company's Auditor since their appointment at the AGM in May 2002. They also acted as Reporting Accountant during the Company's Introduction to AIM in July 2003.

In respect of the **Resolution 4**, the Company's issued share capital at the date of this notice comprised 67,483,311 ordinary shares of 0.2 pence each and the authorised share capital is 500,000,000 ordinary shares of 0.2 pence each.

Resolution 4 would renew the Directors' authority to allot shares for cash to persons other than the existing shareholders up to a maximum of approximately 10% of the Company's issued share capital. This authority gives the Directors flexibility to take advantage of business opportunities as they arise and the 10% limit acts as a safeguard for existing shareholders' interests.
